Use of Your Information

The data that you have provided to us may have been used by us to make or obtain references, enquiries and searches about you from any person, including Credit Reference Agencies ("CRA's"). They will add to your record details of our search and this will be seen by other organisations that make searches, whether or not this application proceeds.

You understand that information held about you by the CRA's may be linked to your spouse/partner. You understand that your associates information may be taken into account unless you instruct otherwise.

If you wish to be assessed independently from your spouse/partner, you confirm for the purposes of this application that you and your partner are financially independent and you request that your application be assessed without reference to any 'associated' records, although you recognise that this may adversely affect the outcome of your application. You believe that there is no information relating to your partner that is likely to affect our willingness to offer financial services to you. You authorise us to check the validity of this declaration with CRA's and if we discover any associated records, which would affect the accuracy of this declaration we may decide not to proceed with the application on this basis.

We may also have used a credit-scoring or other automated decision making system.

It is important that you give us accurate information. We will check your details with Fraud Prevention Agencies (FPA's) and if you give us false or inaccurate information and we suspect fraud we will record this.

Your record will be shared with other organisations including the General Insurance Standards Council and used to:

- help make decisions about credit and insurance for you and members of your household;
and
- trace debtors, recover debt, prevent money laundering and fraud and to manage the Customer's account.

We, the CRAs and the FPAs will also use your records for statistical analysis about credit, insurance and fraud. FPA records will also be shared with other organisations to help make decisions on motor, household, credit, life and other insurance proposals and claims, for you and members of your household.

UPON REQUEST, WE WILL ADVISE YOU IN WRITING OF THE DETAILS OF THE CRAs AND FPAs FROM WHOM WE OBTAIN AND TO WHOM WE PASS INFORMATION ABOUT YOU. YOU HAVE A LEGAL RIGHT TO THESE DETAILS.

We would like to contact you by post and phone (and, if you agree, by email, SMS or other electronic means) for market research purposes, or with news on vehicles and other products and services which may be of interest to you. We may also pass your information to our other group companies, authorised dealers and other providers of our branded products and services for these purposes. You can opt out at any time by calling us on freephone 0800 0137654 or writing to us at the address shown below. Further details of our privacy policy are also available from this address.

YOU HAVE A RIGHT TO RECEIVE A COPY OF THE INFORMATION WE HOLD ABOUT YOU IF YOU APPLY TO OUR CUSTOMER SERVICES DEPARTMENT IN WRITING. A FEE WILL BE PAYABLE.
